“Roman is one of the greatest talents to hit the kitchen. His extraordinary eye for exquisite design and his sensitive palate make his creations more than a meal but a journey into the world of fine dining.”

With Thirteen years of culinary expertise and mastery, Roman Styles IV is a graduate of Le Cordon Bleu School of Cooking. Early in his career, he had the opportunity to work with some of the best in the business-like renowned Chef Wolfgang Puck and the late Chef Floyd Cardoz. During those formative years, he had the chance to cater some of the most notable events in Hollywood, like the Los Angeles Food and Wine Festival, the NAACP Awards, and the NBA All-Star Game, just to name a few.

He is currently the personal chef to Darnay Holmes of the New York Giants, Darrell Henderson of the Los Angeles Rams, and Marvell Tell of the Indiana Colts. Another notch under Roman’s belt is he is an expert plater with exquisite designs that will captivate the masses.

Those early years left an indelible mark on Roman and helped him develop the unique dining experience that his customers rave about. He is a master craftsman, and any dish he makes will cause your taste buds to explode in excitement. Roman is passionate, dedicated, and committed to his artistry. This year Roman will be launching his Gourmet Macaroni and Cheese Company called MacDaddyz as well as his signature spices and herb-infused butter.

On a personal note, Roman’s family history is rich and diverse. He is a family man and one of eight children. He is a devoted father to his only son, Nike Model Roman Styles V. He comes from a long line of entrepreneurs and artists. His Mother is an author, designer, and entrepreneur. His Grandfather, twice removed, was named Who’s Who in the state of Ohio and was one of the first successful African American business owners in the state. His cousin, three times removed, was the jazz great Teddy Buckner, and his uncle, twice removed was a Buffalo Soldier who opened his Restaurant in the early 1900s in Sherman Texas. Finally, his Grandfather, three times removed, was Sergeant Major John Wilson of the 54th Massachusetts Regiment in the Civil War. We invite you to experience the world of Roman.
